GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Revenue (Disaster Management) Department – **Declaration of Drought**– **South–West Monsoon–2024** (**Kharif**) – Declaration of 54 Mandals as Drought affected in Five (5) Districts - Orders – Issued.

==========

REVENUE (DISASTER MANAGEMENT-II) DEPARTMENT

G.O.Ms.No.15 **Dated:29.10.2024.**

Read the following: -

1. G.O.Ms.No.3, Revenue (DM.II) Department, dated.10.10.2023.
2. Proposals received from the District Collectors.
3. Minutes of the Meeting of the Committee on Drought held on 22.10.2024.

*****

O R D E R :

During the period from June to September, 2024 of South West Monsoon, the cumulative average rainfall received in the State is 681.6 mm as against the Normal of 574.7 mm. However, in certain Mandals, rain fall is less than normal rainfall and dry spells are also recorded.

2. The methodology prescribed in the revised Manual for Drought Management-2016, communicated by the Government of India, shall be followed for determination of Kharif season Drought 2024.

3. Basically 3 steps are involved in finding out the drought severity of each Mandal.

Step-1 : **Mandatory indicators data application** (Rain fall deviation, Dry spell).

Step-2 : **Impact indicators data application [**Sown area index, Remote Sensing Index, Moisture Adequacy Index, Hydrology Index **(**Reservoir Storage Index and Ground Water Index**)]**

Step-3: **Ground Truthing.** Crop damage/yield loss must be 33% or more for declaration of Drought.
(Yield loss 33% to 49.9% - Moderate ; 50% above – Severe).

4. Rain fall data and Dry Spell data from 04.06.2024 (Monsoon entered Normal date issued by IMD) to 30.09.2024 should be taken into consideration. If the first drought trigger is set off in Step 1, impact indicators will be examined in Step 2. If Trigger 2 is set off, a sample survey will be conducted for ground truthing.

5. After following the procedure laid down in the Drought Manual, the Collectors of 5 districts i.e., Kurnool, Ananthapuramu, Sri Satya Sai, Annamayya and Chittoor have proposed 54 Mandals for Drought Declaration. The remaining 21 Districts have submitted their proposals that there are "No Drought affected Mandals**"** in their Districts.

6. Based on the data of Mandatory indicators (Rainfall & Dry Spells), Impact indicators and Ground Truthing, the proposals submitted by the District Collectors are placed before the Drought Committee constituted in the reference 1st read above.

(PTO)

7. In the Hybrid meeting held on 22.10.2024, the Drought Committee, after deliberate discussions and scrutiny of the proposals with reference to guidelines prescribed by Government of India in the Revised Manual for Drought Management-2016, recommended for declaration of 54 mandals (27 Mandals Severe and 27 Mandals Moderate) as drought affected Mandals, vide reference 3rd read above.

8. After careful examination of the proposals of the District Collectors and recommendations of the Committee on Drought, Government have decided to declare 54 Mandals as drought affected during Kharif-2024 and accordingly hereby issue a Notification (Annexure-1) for declaration of 54 Mandals (as in Annexure-II) as Drought affected (27 Mandals categorized as Severe Drought and 27 Mandal as Moderate Drought) in five Districts i.e., Kurnool-2 Mandals (2 Moderate), Ananthapuramu-7 Mandals (2 Severe & 5 Moderate), Sri Satya Sai-10 Mandals (3 Severe & 7 Moderate), Annamayya-19 Mandals (19 Severe) and Chittoor-16 Mandals (3 Severe & 13 Moderate) during Kharif-2024.

9. The District Collectors concerned shall ensure the exclusion of notified municipal/urban areas and areas under permanently assured irrigation sources from drought-affected Mandals. However, for the purpose of drinking water, these areas shall be treated on par with drought-affected Mandals. The District Collectors concerned shall issue the Notification in the District Gazette as mentioned in Annexure-I & II in Telugu and take immediate further necessary action.

10. The Commissioner of Printing, Stationery and Stores Purchase (Printing Wing), Andhra Pradesh, shall publish the Notification in the extra-ordinary issue of Andhra Pradesh Gazette dated.29.10.2024.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

ANNEXURE-I

(G.O.Ms.No.15, REVENUE (DM.II) DEPT, dt.29.10.2024)

NOTIFICATION

In the circumstances reported by the respective District Collectors, the Government hereby declare that Drought exists during the South–West Monsoon – 2024 (Drought Kharif) in 54 Mandals, i.e., Severe Drought in 27 Mandals and Moderate Drought in 27 Mandals, in five (5) Districts annexed to this order as per the guidelines prescribed by Government of India in Revised Manual for Drought Management-2016. The District Collectors concerned shall take necessary further action and notify the specific Mandals/specific areas in the Mandal in the District Gazette to enable the farmers to avail credit facilities and to take up relief operations. The District Collectors concerned shall ensure the exclusion of notified municipal/urban areas and areas under permanently assured irrigation sources from drought-affected Mandals. However, for the purpose of drinking water, these areas shall be treated on par with drought-affected Mandals.

The District Collectors concerned shall furnish (10) copies of the District Gazette Notification to the Government.
